MERRY CHRISTMAS TO ALL

Area Churches Plan Special Yule Services

Christmas, celebrated by the Christian world as the birthday of its Savior, will be ushered in again this year by the churches of the area with appropriate services.

Christmas is one of the great feast days of the Christian church and the story of the birth of Our Lord will be told again thruout the world in story, song and sermon.

This is a happy season that has always brought out the best in mankind. It is a time for renewal of faith that eventually good will triumph over evil, and the joys and jollity of the season blots out—for a time at least—the fears and worries engendered by threats of war, intercontinental missiles and hydrogen bombs.

Not all of the churches of the area have sent in notices of Christmas services but those which have are listed below:

MOKENA METHODIST

The Sunday school Christmas program is scheduled for 8 o'clock Sunday night, Dec. 22. Also to be presented will be the cantata, "Petite Noel," based on French carols. The senior choir will participate in this part of the program.

A candlelight service at 11 o'clock next Tuesday night will mark the observance of Christmas eve.

ST. MARY'S - MOKENA

The children's choir of St. Mary's school will sing at the midnight mass on Christmas eve at St. Mary's church.

The mass will be preceded by a procession to the Crib at 11:55 o'clock and before that, beginning at 11:45, the children's choir will sing carols. Sister M. Helen Ann, organist, is also director of the choir.

Masses on Christmas day will be celebrated at 8 a.m. and 10:30 a.m. Carols also will be sung in conjunction with the morning services.

ST. ANTHONY'S LINCOLN ESTATES

There will be a midnight mass on Christmas eve. On Christmas day there will be masses at 8 a.m. and 9 a.m.

TINLEY PARK METHODIST

The Sunday school, Nursery thru Junior departments, will have their program of song and verse at 4:30 Sunday afternoon, Dec. 22.

On Christmas Eve the Junior and Senior choirs will present a musical program, beginning at 7:30 o'clock. This will be a candlelight service.

ST. JOHN'S - MOKENA

The upper classes of the Sunday school will present a Christmas pageant Sunday night, Dec. 22, at 7:30 o'clock. The classes from the lower school will have their program at 7:30 o'clock Christmas eve.

A candlelight service will be held at the church at 11 p.m. Christmas eve.

A reception for new members is planned for the Sunday after Christmas, Dec. 29.

FRANKFORT METHODIST

Frankfort Methodist church will join in a special Christmas worship service at the regular 9:30 a.m. hour Sunday, Dec. 22. The sanctuary will be brightened with two decorated Christmas trees. Both the junior and senior choirs will sing anthems.

The annual Sunday school Christmas program will be conducted Sunday, Dec. 22, at 7:30 p.m. The pageant portraying the coming of Christ will involve

all children in the nursery, be returned on Christmas eve kindergarten, primary and junior and the money will be sent to the Central Baptists children's home at Lake Villa, Ill.

The senior MYF will meet at the church Monday, Dec. 23, 6:30 p.m. for their carolling party. The group has made Christmas candles which they will present to the families they carol. Refreshments will be served and a gift exchange enjoyed following the carolling in the home of Mr. and Mrs. Harry Miller MYF sponsors.

A Christmas eve candlelight service is planned by the intermediate and senior youth classes. The special service will feature a dramatization of the coming of the "light of the world". A unique feature will be the use of a real-life family for the nativity scene with a real baby in the manger.

First Christmas - Story Told To World By Luke

(And in that day there shall be a root of Jesse, which shall stand for ensign of the people; to it shall the Gentiles seek: and his rest shall be glorious. Isa. 11:10.)

(... And Jesse begat David the king; and David begat Solomon ... —Matt. 1:6.)

(As recorded in Luke 2:1-20) And it came to pass in those days that there went out a decree from Caesar Augustus, that all the world should be taxed.

And this taxing was first made when Cyrenius was governor of Syria.

And all went to be taxed, every one into his own city.

And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem (because he was of the house and lineage of David.) To be taxed with Mary his espoused wife, being great with child.

And so it was, that while they were there, the days were accomplished that she should be delivered.

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

An the angel said unto them Fear not; for, behold I, bring you good tidings of great joy which shall be to all people.

For unto you is born this day in the city of David, a Savior, which is Christ the Lord.

And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Glorify to God in the highest, and on earth peace, good will toward men.

And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known to us.

And they came with haste, and found Mary and Joseph, and the babe lying in a manger.

And when they had seen it, they made known abroad the saying which was told them concerning this child.

And all they that heard it wondered at those things which were told them by the shepherds.

But Mary kept all these things, and pondered them in her heart.

And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them.

first Christmas service at the Tinley Park Reformed church on Sunday, Dec. 22. At 7 p.m. a play, "The Faithful Pioneer", will be given by the young people of the church and the Sunday school children will offer songs and messages.

On Christmas Day, services will be held at 10 a.m. with the sermon topic, "The Coming King Arrived."

The pastor and congregation invite all to worship with them.

Today's Meditation

From The Upper Room

Read Psalm 144:9-15.

And, lo, thou art unto them as a very lovely song. (Ezekiel 33:32.)

Some young people were preparing to go caroling. Eric, a newcomer, asked "Why are you doing it?"

"It is the nicest way we have found of telling Christ's story," he was told, "and we hope to reach the hearts of some who do not know Him."

At one home a nurse met them at the door. "Mr. Bascom," she said, "does not believe young people are interested. Perhaps your singing will help."

Eric saw an old man in a wheel chair. His face was lined with suffering and ill will. The singers sang "Hark! the Herald Angels Sing." "Would you do another?" the man asked, and they softly sang Phillips Brooks' "O Little Town of Bethlehem."

Later, the nurse telephoned. "You will never know what your singing meant," she said. "The minister has been here, and Mr. Bascom has accepted Christ."

Eric, a warm glow in his heart, confessed, "He isn't the only one, either."

PRAYER

Dear heavenly Father, help us to make the Christmas carols live for others. May they become as lovely songs, opening the door for Christ's entrance into many hearts. This we ask in the name of our Savior, Amen.

THOUGHT FOR THE DAY
When our own lives are filled with the beauty of Christmas music, Christ becomes real to others.

CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday, Dec. 22.

Luke's account of the birth of Jesus will be included in the Scriptural readings. Correlative passages from "Science and Health with Key to the scriptures" by Mary Baker Eddy will include the following (315:21)—understanding enabled him to demonstrate the facts of being, —to prove irrefutably how spiritual Truth destroys material error, heals sickness, and overcomes death.

The Golden Text is from Amos (4:13): "He that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth. The Lord, The God of hosts, is his name."

A family Christmas party will be held in the Sam Center home Sunday, Dec. 22 with dinner served at 5 o'clock.

The annual Christmas party was held at the Wayfarers meeting Saturday evening when they met in the social rooms of the Methodist church. There were 32 members and two guests from Canada present. A prettily decorated Christmas tree, and decorations of evergreens and holly added to the festive spirit of the occasion. A sumptuous supper was served which was followed by a program. Mrs. Harriet Wagner of Tinley Park accompanied on the piano by Mrs. Edwin Hirsch, sang several songs appropriate for the season. All enjoyed the gift exchange and the games that followed.

The infant son of Mr. and Mrs. Harold Homerding was baptized Sunday, Dec. 8 in St. John United Church of Christ, by the pastor the Rev. William Riemann. The name given was Jay Robert. His sponsors were Mrs. Robert Homerding and Everett Hertline. A dinner was served in his parents home. Guests were Mr. and Mrs. Everett Hertline, Oak Park; Mr. and Mrs. Louis Hertline and son Dick, Wilmingon; Mr. and Mrs. Peter Homerding, Mr. and Mrs. Robert Homerding, the Rev. and Mrs. Riemann and Mr. and Mrs. Marvin Homerding all of Mokena.

Governor Pays Visit To Tinley Hospital

By ANNE RODGER

Tinley Park was honored by a visit from Gov. William G. Stratton last Saturday, when on the invitation of Mayor Elmer H. Knudsen, he visited the local Municipal buildings following his tour and official inspection of the Tinley Park State hospital. He expressed a great deal of interest in viewing the municipal facilities. The governor was accompanied by Mrs. Stratton.

The afternoon was pleasant and sunny for the official visit to the state hospital and the governor and his wife were visibly impressed by the buildings and equipment.

Besides Mayor Knudsen, other village officials and members of the Press were invited to make the tour.

Included in the entourage of state officials accompanying the governor was Willard Couch, deputy director of mental health. Conducting the tour were Dr. John L. Cutler, M.D., superintendent; and Burley Orrison, business manager, of the hospital staff.

The governor and his party toured the two buildings now completed, for the acute and semi-infirm patients; also the living quarters for the hospital staff and personnel.

Capacity of 480

The two buildings have a total capacity of 480; the acute hospital housing 180 and the semi-infirm, 300 patients.

The first group of patients is expected to arrive early in 1958, as soon as beds and other furnishings have been installed and enough personnel established to care for them.

To partially ease the crowded conditions at other State hospitals, plans are to transfer 216 patients from the Chicago State hospital; 130 from the Elgin State hospital; 80 from Mankato; and 54 from Kankakee. When these patients have been installed, the present existing facilities of the hospital will be utilized.

The utilities and related facilities have been planned for a state hospital with the ultimate capacity of 3,500 patients.

\$248 Million Bond Issue

Officials report that if the \$81 million for capital improvement of the department of public welfare, which is a part of the proposed \$248 million bond issue to be submitted to the voters in November, 1958, becomes available, a considerable portion is planned for the continued development of the Tinley Park state hospital.

Plans and specifications have been completed for a receiving and diagnostic building with a capacity of 240 patients.

Individual rooms which have been constructed to accommodate six patients, are divided by walls about four feet high, raised about a foot from the floor. Outer walls are of thermopane glass.

The well-equipped kitchen in the basement of the building evoked a great deal of interest with its fully equipped and serving facilities, including large freezer rooms, pressure cookers, and stainless steel counters.

Food will be transported from the main cooking center to other buildings by an underground tunnel on steam tables.

The building for the semi-infirm patients is composed of eight wings, four in the section for men and four in the section for women. A hi-fi set has been installed in this building.

Included in tentative plans for the psychiatric hospital is the development on the grounds of a relatively separate section for mentally ill children.

First Appropriation

The first state appropriation was made by the 65th general assembly in 1947 to purchase land and begin construction of a new state hospital. From that appropriation 411.63 acres of farm land lying immediately southwest of Tinley Park extending west from Harlem ave. to 80th ave, and north from 183rd st. was purchased.

The development has proceeded in accordance with appropriations for the purpose.

The two completed buildings are located in the area on the grounds where it is expected to develop an active treatment (Continued on Page 16)

Blame Paint Fumes, Spark for Blaze at L-W

There was a fire at Lincoln-Way high school Monday but it was extinguished by workmen in the new addition and school personnel. The blaze broke out in the art department, in the northeast section of the building, and was confined there. Supt. J. Hunter Chapman said the damage was estimated at approximately \$1,000.

Some paint work was to be done on one of the school buses and in preparation some paint was being heated and thinned. An electric plate was being used to heat the paint and according to Supt. Chapman it is believed there was a short and the resultant spark ignited the fumes from paint mixture.

There was a minor explosion that scattered the flaming paint on cupboards, counter top and an asphalt tile floor. Fortunately, it was pointed out, no one was near the spot.

Teachers and workmen seized fire extinguishers and under the direction of Joseph Kruzich head of the industrial arts department, had the blaze under control within a few minutes and no outside help was called. The fire occurred about 11:30 o'clock Monday morning.

Santa Claus Comes To Mokena Next Monday

The Mokena Civic Association has arranged for Santa Claus to visit here Monday evening, December 23.

The Christmas tree which has been set up on Front street was given for community enjoyment by Glen Vally. The ornaments and decorations on the tree were made by the second, third and fourth grade Brownie troops of Mokena.

Once again, the outdoor home decoration and lighting contest will be held. The association hopes that as many will participate as in previous years. There was much favorable comment concerning the decorations in the town last year.

Inspection and judging will be performed in Mokena by an exchange team from Frankfort, on Monday evening, Dec. 23.

There will be three prizes given for the best outdoor home decoration and lighting display, the first prize to be \$15; second prize \$10, and third prize \$5.

Santa Claus will distribute gifts to the children and carols will be sung around the tree. The program begins at 7:30 pm.

Community Yule Party In Orland School Dec. 21

A community Christmas party will be held in the Orland Park grade school gymnasium on Saturday, Dec. 21.

It is being sponsored by the Orland Park volunteer fire department, the Youth association, and the Chamber of Commerce.

The party will start at 2 pm. for children up to ten years old. The older children's party will be held at 7 pm.

Cartoon films will be shown to the younger children and Santa Claus will be present with gifts for all.

Special treats will be given to the older children in the evening.

Santa Claus will make his appearance. He is arriving at 2:45 pm. on the village fire truck.

Wood Seeks Re-election To Legislative

Warren L. Wood, Plainfield Republican and speaker of the Illinois house of representatives for four successive sessions, announced his candidacy for re-election by sending petitions for nomination to Will county committee this week.

First elected in 1934, Wood has served continuously as a member of the general assembly.

Speaker Wood

bly, except during the period of World War II when he withdrew to serve as an officer in the navy.

Wood's service in the general assembly, both as a member and as Speaker, has received consistent and enthusiastic endorsement from nearly every citizen group and has produced a record of significant legislative achievement.

During his four terms as speaker, Wood's leadership repeatedly has been recognized as "active," "fair," "accomplished" and "firm" and has resulted in a departure from the former rule of all night sessions, eleventh hour log jams and clock stopping on June 30th—the technical deadline for Assembly sessions.

New Lenox Couple Will Celebrate Golden Wedding

Mr. and Mrs. Fred Woodcock of New Lenox will celebrate their golden wedding anniversary Sunday, Dec. 29 in the Sportsman hall in Manhattan, from 2 to 5 pm. All friends and relatives are invited to join them in the celebration.

The couple was married at Frankfort on Christmas day 1907 and lived on a farm in Manhattan township for a few years then moved to Canada where they farmed for eight years.

They came to Joliet then and later moved to their farm three miles south of New Lenox in 1932 where they still live.

The Woodcocks have one child Mrs. John Goodby and a grandson, John Goodby.

Nieces of the couple will assist Mrs. Goodby and the Woodcocks at the open house.

Gary Been, 37, Dies; Funeral Services at New Lenox Today

Gary Been, 37, died Tuesday morning in his home in Frankfort township after a long illness. Removal was to the Baskerville funeral home, route 30, New Lenox.

Surviving is his wife, Helen, three daughters, Mary Ellen, Ruth Ann and Betty; two sons, William and John; his parents, Mr. and Mrs. Richard Been, Sr., Momence; three sisters, Mrs. Emma Hoger, Chicago, Mrs. Helen Houtsma, South Holland and Mrs. Marilou Buchert, Calif. and one brother Richard, Jr. Mokena

Tinley Trustees Vote to Adopt Resolutions Transferring Funds

By ANNE RODGER

The disbursement of village funds as presented by finance chairman, C. Robert Lillie, was discussed by the Tinley Park village board last Monday. As a result, village attorney, Robert Biederman, will prepare resolutions in order that funds may be transferred between various departments.

The road and bridge and water department funds have a surplus of money in their accounts, it was learned. By following the necessary legal procedure by resolution, the finance committee may transfer funds where there is a surplus in other funds.

Raise Rents

The income from the property owned by the village, located directly north of the railroad tracks on the west side of Oak Park ave., will be increased by \$55 a month.

This will be realized by raising rents of the property as recommended by the finance committee and presented by chairman Lillie.

The attorney will prepare leases for three of the tenants on Oak Park ave., showing the increased rental rate, and stating no improvements or changes can be made to property without consent of the village board.

Tenants will receive notices advising them of the increases.

With the increased rate a second floor apartment will now rent for \$80 instead of \$60 a month. A first floor apartment has been raised from \$50 to \$75 a month. The smaller store on the property has been raised from \$50 to \$60 a month.

The village furnishes heat and hot water for all the premises with the exception of the larger store, the rent for which will remain at \$75.

Prevailing rents are unrealistically low, said Lillie, adding it was not intended to make the building self supporting, but to reduce the overhead to the village by \$600 a year.

Police Overtime Pay

The finance committee was given authority to take final action in settling the claim presented by Police Chief Harold C. Moore and police officer Peter Seeley for back pay.

The officers claim the village owes them for 78 days back pay between the period from February 1956 to August 1957, based on rules and regulations of the police and fire commission which grants policemen one day off in each seven days. The claims amount to \$1,053 for Moore and \$883.74 for Seeley.

According to the report of the village attorney, who conferred with Leland Rayson, local attorney, representing the police, the village legally could in his opinion defeat any lawsuit which might arise in connection with the claim, but admitted certain factors were in favor of the police, the strongest that previous boards had made payment under similar circumstances, entitling the police to assume similar treatment would be accorded by the present village administration.

The rules and regulations of the police and fire commission, on which the claim is based, should be revised, the attorney advised. Some definite understanding in the matter should be reached, he added, which should have been done when the last payment for overtime was made to the police.

According to Biederman, the rules and regulations adopted by the police and fire commission, have not been done so officially.

The salary schedule for policemen recently presented by Lillie, will need some revising, it was discovered after discussion between the finance chairman and Moore.

Zoning Violation

A report of a zoning violation was cleared up when investigation revealed that under the former zoning ordinance the home owner was within his rights in converting a single family dwelling to a duplex, and that a building permit had been issued for the alterations. The complainant was advised of these facts by Irwin Johnson, zoning administrator.

Churches Unite In Yule Program At Tinley Park

At the community gathering to be held in the Tinley Park Municipal building Monday, December 23, combined voices of the Tinley Park Zion Lutheran, St. George Catholic, Church of Christ, and Baptist church choirs will present a rendition of Christmas carols.

The musical gathering, which will include community singing, will start at 7:30 pm.

Special features of the program, which is expected to last about an hour, will be organ music by Walter Wehr, selections on the harp by Mrs. Kenneth Crandall, and appropriate accordion numbers by Karen Sanders.

Mr. Wehr will also add to the Christmas pleasures of the community by playing Christmas music on an organ from the fire house on Saturday and Sunday evenings, Dec. 22 and 23. Speakers will be placed thruout the village so that all may enjoy his music.

Mrs. Harold C. Moore, chairman of the community gathering, and Mayor Elmer H. Knudsen, extend an invitation to all to come and hear the musical program and join in singing Christmas carols. Harry Trevarthen will act as master of ceremonies.

Adopt Measure for Sewage Treatment At Orland Park

A resolution asking for a permit to establish a lagoon system of sewage treatment in the Orland Hills housing development was adopted by the Orland Park village board at a special meeting Monday night.

The resolution was addressed to the Chicago Sanitary District. It will be the people financing the housing development that will pay for the sewage treatment system but the permit to establish same must be issued to a municipality and not a company or individuals, it was explained by Village Attorney Raymond Pieper.

Since Orland Park is now a part of the Chicago Sanitary District any sewage treatment system set up there must have approval of the district.

This lagoon system is a temporary set up, it was explained. It will serve 600 persons, engineers stated. When 250 homes have been erected or the third unit of the housing development is opened the developers are obliged to erect a sewage treatment plant that will not only meet the needs of the development but also that portion of the community known as the "old village."

It is probable that the plant would be taken over by the Chicago Sanitary District and operated until regular interceptors were extended to Orland Park.

The next meeting of the village board will be Jan. 13.

Ray Walshes Buy Manhattan Locker Plant at Auction

Mr. and Mrs. Ray Walsh, who operate a turkey farm in Green Garden township bought the Manhattan locker last Saturday at auction.

The Walshes expect to continue their turkey farm and the locker as usual. The locker was bought from the Will County Co-operative which business has recently been dissolved.

Warren G. Harding was the first U. S. president to speak over the radio.

Zion Ladies Aid Installs Staff

At the meeting of the Zion Lutheran Ladies Aid society of Tinley Park Dec. 4, Mrs. Eileen Pokorny was installed as the new president, and Mrs. Norma Hayes as vice president. Mrs. Edith Hopman gave the scripture and prayer.

There were 41 members present and two guests, Mrs. Howard Johnson and Mrs. Arthur Lindsted, also quite a number of children, who were taken care of by the baby sitter, Mrs. MacKenzie.

The program was presented by Mrs. Pauline Taylor, chairman, and her committee, Carolyn Deck, Fern Lovegren and Fern Mager. Mesdames Loretta Ercius, Alice Propp, Eleanor Carlson and Howard Johnson sang "The Journey to Bethlehem" accompanied by Mrs. Florence Rensink. Mrs. Fern Lovegren read the origin of the song "O Little Town of Bethlehem" which was appropriate for the theme, "Christ is Born."

The society donated again this year to the worthy organizations for Christmas and also remembered the servicemen with gifts.

There will be no bake sale in December, but the sales will start again the fourth Friday in January.

Mrs. Adela Marquardt reported she has quite a number of rugs on hand. The Sew and Sew club will start sewing again in January.

The parish hall was beautifully decorated with a Christmas tree, and the table was also nicely decorated. Gift boxes were wrapped and it seemed each one was prettier than the next.

Sliced sandwich loaf, colored green and red, and individual cakes with a candle and coffee were served. Members of the serving committee were Mesdames Mable Lanfrusti, chairman, Henrietta Peterson, Mame Rick, Ethel Rauch, and Mrs. Masley. The children also had their Christmas party. This was followed by a gift exchange.

Orland Park Junior Woman's Club Has Christmas Party In Lambur Home

The Christmas Party of the Orland Park Junior Woman's club was held on Monday, Dec. 9, in the home of Mrs. George Lambur III at Palos Park. The club voted to give \$100 to the Orland Fire Department for their fund for a 2-way radio. Christmas cards in stamped envelopes were brought for hospitalized veterans.

Royal Neighbors Elect Officers At Tinley Park

When the Royal Neighbors of America, Dew Drop Camp 2023 met last Tuesday evening, the following officers were elected for the coming year: Nettie Kunz, oracle; Harriett Wagner, vice oracle; Erna Schoeneck, chancellor; Creta Keuch, recorder; Mathilda Steinhagen, receiver; Sally Nolte, marshal; Violet Hultsch, inner sentinel; Lorraine May, outer sentinel and Gladys Reder and Edith Arnold, managers.

Elected as delegate to the RNA state meeting at Rockford on April 18-19 was Helen Osberg with Lucille Butler as alternate.

The award of the evening was presented to Gerda Stamm.

With Erna McLosa as chairman, a Christmas grab bag was enjoyed by those present.

Refreshments were served by Adele Pottberg, assisted by Ethel Shawver, Claire McLain, Erna McLosa, Esther Nitsche and Frances Webster. Lovely favors in the Christmas motif were made by chairman Pottberg and Ethel Shawver.

The hall was decorated for the Holiday season. There were games and entertainment, and everyone received a gift. The oracle wished the membership a Merry Christmas as they departed.

Senator O'Neill Consents To Seek Office Again

State Senator Lottie Holman O'Neill, who represents Will and DuPage counties in the Illinois general assembly, has consented to become a candidate for re-election.

Under the direction of Mrs. Ulysses Wiley, of Addison, DuPage county, chairman of the committee to draft Lottie Holman O'Neill for another senate term, petitions were circulated thru the district and approximately 4,000 persons signed them.

Senator O'Neill had announced that she would not be a candidate for re-election in the Republican primary next April but when presented with these petitions and after noting that the signers represent a cross section of both counties, including businessmen, churches, management, labor and education, Mrs. O'Neill decided to run again.

"Believing this represents a strong sentiment in the district based on my past record as state senator," Mrs. O'Neill said, referring to the petitions, "I consented to permit my name to appear on the ballot in the next Republican primary as such candidate."

"My stand on matters of concern to our people is well known but I shall be glad to meet with constituents at any time to discuss issues in which they are interested."

"I deeply appreciate the effort put forth by Mrs. Wiley and others who have obtained these signatures, and I assure the voters of the district that, if elect-

Mrs. Harry Barbee, chairman, presented the program with several novel games and interesting prizes. A gift exchange was enjoyed.

A lovely buffet supper was served in a festively decorated room and Christmas carols were sung, accompanied by Mrs. Joseph Tinaglia and her accordion.

Guests were Mrs. John Hutchinson, Mrs. Joe Vogeler, and Mrs. Robert Bibeau.

Co-chairman and hostesses were Mrs. Elmer Libner, Mrs. Floyd Cooper, Mrs. Wilbur Eckel, and Mrs. George Johnson.

Letter to Santa

Dear Santa:

My name is David Goble. I am 8 years old and I am in 3rd grade at Tinley Park.

I will be in 4th grade next year.

I want a pair of black and white holsters and guns.

Cub Scout uniform, too, and I would like a new pair of shoes, cowboy hat and I would like a Renco pom pom gun if it doesn't cost too much. A new bathrobe and slippers.

Please bring my daddy a present for his birthday and Christmas, a heating blanket. Please bring something for my brother and my uncle Burt. If you have something frilly (just for ladies) please bring it to my mom.

Love,

David Goble

Mother helped me with this letter because I am just now learning how to write and don't do too good yet.

Don't forget the kids that don't have mammas and daddies.

David

An Open Letter

Santa Claus,

% Editor, The Semmler Press

Dear Mr. Santa Claus:

We have been good citizens of Mokena all year, we are kind to little children, we have an affectionate concern for all our young people in this community, and we hold a high regard for our fellow citizens.

Please, Mr. Santa, all we want for Christmas is our policeman, Mr. Smetana, back again patrolling our streets and available if we need him.

Just having a trained and experienced police officer in uniform working at his job, a familiar part of our daily life, is the surest way for our young children to grow up naturally with respect for the law and with understanding of the necessity for its enforcement.

Please, Santa, you too, love our children. Grant us this one gift for them—and for us.

Hopefully yours,

Amy and Rudy Engelhardt
P. S. And a very Merry Christmas to you, too, kind sir.

I shall continue as in the past to discharge my duties in the senate faithfully and to the best of my ability."

Eagles, Braves Tie Up Cage Race

Sandburg Takes Rams While Bremen Loses

The Carl Sandburg Eagles copped two week-end games—one a conference tilt—and that plus Oak Lawn's upset victory over Bremen has put the Southwest Suburban loop cage race into a two way tie. Sandburg and Bremen have each won two games and lost one.

Rich has lost only one game too in conference play but has played but two compared to three for the leaders.

The Eagles downed the Reavis Rams last Friday night, 68-47, in a game that saw Coach Jorstad empty his bench so everyone had a chance at action.

On Saturday night the Sandburgs polished off Thornton Fractional of the South Suburban loop 53 to 41.

In the Reavis game Sandburg led 33 to 17 at the half. During the contest Center Mark Hill piled up 26 points on eight field goals and 10 free throws—his best game of the year. Pat Ford chipped in with 16 points and Dennis Granninger 10.

When the Eagles met Fractional the Thornton outfit was leading 41-38 at the close of the third period. Then the Sandburgs went to work and in the final four minutes stormed ahead and hung on.

Little Pat Ford had a good evening with 17 points, to top the Sandburg scorers, Ted Allen, a sub, dropped in four baskets and three free tosses for 11 points to lead the late drive. Rich Aird scored nine points.

Fractional made one more field goal than Sandburg but the Eagles made 21 free throws to seven for their opponents.

Sandburg will play Lincoln-Way tonight at Lincoln-Way in a game that could be very important. Lincoln-Way was just nosed out by Rich in the closing minutes last week and is a formidable foe in the Eagles title drive.

On Saturday night of this week Sandburg will go to Bradley to play in the Holiday tournament there.

Lincoln-Way Mat Team Beats Mustangs 25-20

Showing tremendous strength in the lower and middle weight classes, Lincoln-Way's wrestlers beat Evergreen Park 25-20 before a good-sized home crowd Dec. 9. It was the Knights' first victory of the season against one loss.

Tony "Tiger" Santerelli got the Knights off to a flying start, taking Jerry Vincent 9-4 in an exciting fast-moving match. Co-captain Woody Zitter followed Tony and defeated Tom Herriff 10-1. Ken Zitter racked up his second straight pin of the season, and brother Ed Zitter won 7-2. Evergreen broke into the scoring column when Rich Engel beat Vince Miller 11-4.

In the closest match of the evening Mike Segvich battled Jerry Gunderson. The lead changed hands five times with Mike finally getting the victory nod, 5-4. Mike Indovina came from behind to hold L-W's Al Grybash to an 8-8 tie making the team score 19-5 in favor of the Knights.

In the best match of the evening the Mustangs' captain Phil Miami and L-W's co-captain Dave McGuire battled with McGuire taking the decision 3-1.

Bill Zelko of the Knights jumped off to a quick lead in the next bout and won 4-2 to clinch the meet for Lincoln-Way. Unfortunately, the Knights dropped the next three matches to make the final score 25-20. In exhibition matches Harry Johnson and Bill Rogers won victories over their Mustang opponents.

Mokena Grade Fives Hang Up Double Victory

Both the Meteorites and the Meteors strengthened their positions in the DesPlaines Valley Conference with victories over Manhattan Friday, Dec. 13. The Meteorites thrilled the Mokena home crowd with a 21 to 19 victory in an overtime game while the Meteors struggled to hang up a 23 to 21 win. The victories closed the 1957 portion of the season for both teams and sent the Meteorites to the holiday recess with a 2 and 2 mark. The Meteors have a record of 3 and 1.

The lightweight game was closely fought from the opening tip and the widest margin held during any part of the game was three points. Smith scored a basket for Mokena and Brown contributed a pair of free throws in the opening period. Manhattan scored their points on a basket by Sletter and a free throw by Bean. Second period baskets by Smith and two by Sayers increased the Meteorites lead to 10 to 7 at the half.

Sayers hit for his third basket and Baker contributed a free throw in the third period but Manhattan was able to shave the lead to 13 to 11 on a basket and free throw by Meyer and a free throw by Bean.

Sayers hit a basket at the start of the fourth quarter after two free throws by Sletter had tied the game. A basket by Bean and one by Bean put Manhattan into the lead as time was running out. Then Steve Smith sank a beautiful shot from the corner to pull Mokena even at 17 to 17. With seconds remaining Baker was fouled and sank what appeared to be the winning free throw for Mokena only to have it voided as he was detected stepping across the line.

Manhattan scored first and only once in the overtime as Bean got a basket but Brown tied the score for the Meteorites and Captain Jerry Sayers got loose to drive around his man and sink the biggest two points of the game seconds before the overtime ended. Sayers was high scorer with 10 points.

Manhattan is Tough
The Meteors jumped into an opening period lead of 9 to 4 and appeared to be able to win without too much trouble. Two baskets by Yunker and a free throw and a basket and two free throws by Muehler were all the scoring done by Mokena, while Douglas contributed two baskets for Manhattan.

The Meteors cooled off considerably from the first quarter to the end of the game as baskets seemed difficult to score. Johnson and Yunker each scored on field goals in the second period but this was matched on baskets by Seltzer and Douglas. The score at the half stood 13 to 8. This appeared safe enough especially in the third quarter then the Meteors increased their advantage, to 17 to 8 on baskets by Muehler and Yunker. This was short lived however, as Barns got a free throw and Douglas netted a basket and two charity tosses to close the score to 17 to 13. Muehler's basket closed the quarter at 19 to 13.

Manhattan had their finest period in the last one as they came with a rush to outscore the Meteors 8 to 4, and all but tie the game. Barns cut the lead to 19 to 15 but a basket by Mokena's Williams eased some of the pressure. A basket by Douglas made it 21 to 17. Yunk-

Tinley Archers Plan Yule Shoot

With more than half the participating members receiving prizes, the recent Turkey shoot conducted by the Tinley Park Archery club at the Schaefer farm, was pronounced a success.

In Class B the highest scores were: 42 Brown, 60 points; Rich, 44; 33; Boyd Brown, 64; and Ed Hill, 51.

In Class C the following scored: 42 Brown, 60 points; Rich, 44; 33; Boyd Brown, 64; and Ed Hill, 51.

The next program on the agenda is a Christmas shoot and party to be held at the Bert Fulton school.

er's free toss again widened the gap to 22 to 17 but Barns scored again and a final free throw by Yunker brought the score to 23 to 19. Mokena controlled the ball until the final seconds when Douglas completed the scoring with the score 23 to 21.

Douglas of Manhattan lead both teams with 14 points. Yunker had 11 for the Meteors. The next game is Jan. 10, at and Muehler had 8.

Bremen Braves Lose First Game; Oak Lawn Cagers Win 63 to 62

The Bremen Braves dropped their first basket ball game last Friday night to Oak Lawn, 63 to 62.

It was a five game winning streak.

Bremen held a 22 to 14 lead at the end of the first quarter due to fine shooting by Tom O'Neill and Rich Tindall, who together scored 12 points.

In the second quarter Bremen garnered eight points, while Oak Lawn spearheaded by McGee and DeVries pumped in 18 to knot the score at 30 all at the half.

Oak Lawn continued their shooting spree in the third period, adding 16 points, while Bremen added only nine.

O'Neill opened the fourth quarter with a fine set shot and Gary DuBois followed with back to back baskets to cut the visitors lead to one point. McGee countered with a layin.

With time running out DuBois and O'Neill connected with two baskets each, but the gun sounded with Oak Lawn holding a 63-62 margin.

DuBois and O'Neill, of Bremen, led the scoring with 18 points each.

Bremen will travel to Evergreen Park Friday night for their next conference game.

Knights Drop Two Close Ones To Rich Rockets

By FRED KIESLAR
Last Friday, December 13, the
Knights dropped two close
games to the Rich Rockets, the
varsity encounter by two points,
59 to 57 and the frosh-soph, 63
to 58.

The varsity Knights trailed
Rich all the way but outscored
the Rockets by four points in
the final period and held them
even, 12 to 12, in the second.

The score at the end of frame
one showed the Knights behind
17-13. The 12-12 scoring in the
second frame left the Knights
still four points behind with
the score 29-25 at the half.

The Rockets outscored L-W by
2 points in the third quarter to
end the period with a six point
lead.

The Knights bounced back in
the fourth period, but couldn't
quite make up the six point de-
ficit. Altho outscoring Rich in
the final frame the Lincolns
were still two points short at
the end.

Henry Jessen was high scorer
for Lincoln-Way with 24 points;
Lyn DeMautz was high Rich
with 16.

The frosh-soph game wasn't
too much different from the
varsity. The Rockets topped L-W
in the first three quarters to
make the score 47-35 at the
close of the third period.

The Knights scored 23 points
to the Rockets 16 in the final
period to shorten Rich's margin
to five points.

High scorers for Lincoln-Way
were Tom Peterson with 18, Bill
Seavertson with 14, and Larry
Iwema with 13. Bob Merrill took
top position for the Rockets
with 24.

Tonight, Dec. 19, the Knights
will close the 1957 portion of
their cage season with a game
against Carl Sandburg, to be
played on Lincoln-Way's court.
The frosh-soph game will begin
at 6:45 and the varsity at ap-
proximately 8:00.

snowflakes and stars will adorn
the ceiling.

Safety Check

Ronald Larsen and eight mem-
bers of his fourth period driver
training class gave 25 cars
parked in the Lincoln-Way park-
ing lot a safety check Tuesday,
Nov. 26. Of the twenty five cars,
ten were found defective. One
pair of brakes lights, three door
locks, four hand brakes and two
horns were faulty. The clutches
on two cars were faulty, one
had too much play and the other
lacked rubber on the pedal.

One muffler leaker, and on one
car, the rear view vision was
obscured. Four spinners on
steering wheels were also found

PEN AND BRUSH CLUB

The Pen and Brush club and
members of Mr. Kinney's art
classes spent Wednesday, Dec. 3
studying art in the Chicago Art
Institute. Picasso was the main
subject of the day, and his pain-
tings were studied and evalu-
ated by the students.

FUTURE TEACHERS

Ten members of the Future
Teachers and two sponsors at-
tended a special meeting at
Rich township on Monday, Dec.
9. The program was opened
with refreshments and intro-
ductions. The special guest
speaker spoke on teaching cer-
ebral palsy children. She drew
from her two year's teaching
the handicapped children in
Maryland to tell of the prob-
lems and great personal satis-
faction connected with this spe-
cial education. The program was
ended with a community sing.

SWEATSHIRTS AND DOLLS

Miss Sprayberry has announ-
ced that there are still some
dolls and sweatshirts available.
The sweatshirts have Lincoln-
Way's emblem and the school
name in red and black. Dolls
available are boy and girl grad-
uates, teddy bears, football play-
ers, and cheer leaders. All of
these are in Lincoln-Ways' col-
ors red and black. The dolls sell
for \$1. and the sweatshirts are
\$2.50.

FHA

Bob Gray, a representative of
the Sealtest Ice Cream Co.,
spoke to the Future Homemak-
ers on Dec. 10. His talk covered
the economic problem from a
homemakers' viewpoint, in the
line of prices within the next
ten years. After his talk, he held
a question answer period in
which the girls had an oppor-
tunity to ask specific questions.

If she feels like this at the end of a washday...

Give her a new
automatic electric dryer
this Christmas

Here are a few other reasons why it ought to be an Electric Dryer:

You'll like the way clothes stay clean and smell clean when they dry in an electric dryer. No fumes or products of combustion can ever mix with garments. Electric heat is clean dry, radiant heat—just like the sun only more dependable.

And nothing dries clothes faster! Today's electric dryers will dry a big 8-lb. load of wash (like the one in the picture) in just 25 to 30 minutes. Easily keeps up with your automatic washer.

Of course, all electric dryers are fully automatic. No complicated igniting devices to get out of order or need service.

And as your electric appliance dealer will tell you, electric dryers cost less than any other type. So give your wife a lift with washday this Christmas... and for many years to come. Get her an automatic electric dryer.

Remember: 6¢ a load is all you pay to dry the clean electric way!

Business and Finance

MAURICE P. ANGLAND

The U. S. News and World Report issue of Dec. 13, carries the results of a rather comprehensive survey among the country's leading investment bankers. The survey showed that most of the leaders in the investment world believe that the Federal Reserve will take further steps to ease credit and that the dollar will continue to depreciate in value.

This magazine carries a chart showing the favored investment vehicles of these bankers. The question put was, "If you got an extra \$10,000 to invest, what would you put it into now?" The replies were as follows:

Common stocks—364 bankers
Corporation bonds—209 bankers
Treasury bonds—128 bankers
Municipal bonds—225 bankers
Savings account—42 bankers
Mutual funds—116 bankers
Cash—23 bankers
Other—36 bankers

Standard & Poor's Corporation, well known investment advisory service, recently expressed its opinion as:

"In the first place, the near-term business outlook is not such as to undermine confidence. Industrial activity and corporate profits and dividends all promise to continue at a relatively high plane. By all standards, we still have a highly

prosperous economy; nothing more catastrophic than a breathing spell between booms is indicated.

"Another point in the market's favor is the absence of undue credit speculation. Institutional investors, in particular, are playing a more important role than ever before—and their investments, made largely on a long-term basis, are not easily dislodged.

"A sizeable representation in sound equities (common stocks) is desired because these media afford the best known protection against inflation which seemingly has become an integral part of our economy. Finally, investors foresee the start of another major dynamic advance in the economy once the current phase of adjustment is completed."

Many investment commentators fail to point out the fact that Mutual Funds, Pension Funds, Profit Sharing Plans, etc. are very large holders of the better grade common stocks. Mutual Funds, alone, account for close to \$9 billion. The estimate of the combined holdings of such institutional investors is about 35 per cent of all stocks listed on the New York Stock Exchange.

It is often heard that the market is "going down" or the market is "going up". Either statement is usually not true. There are over 1500 stocks listed on the New York Stock Exchange alone and on any given day, it will be found that some stocks are raising when others may be declining. The market prices, on the average, reflect the general investment opinion of the likely fortunes of various industries and individual companies within those industries.

The present period offers the investor an opportunity to secure a 6 per cent return on the investment, rather easily and un-

der conservative conditions. A return of from 7 to 8 per cent can be achieved by careful selection.

Scout News

GIRL SCOUTS, TROOP 334

Troop 334 with their leaders, Mrs. LeRoy Scholten and Mrs. Peter Ellment enjoyed a recent trip to see cinerama at the Palace theater.

To help the Intermediate Scouts who are working on their second class badge, Mrs. Lawrence Wiedner came to speak to them about England and their Girl Guides, which correspond to our Girl Scouts.

For the Scouts working on service work, the trip of Dec. 16 to Oak Forest infirmary was quite important. Troop members have baked cookies to take with them, and cake and fudge will complete the treats one of the wards at the hospital will enjoy.

On Dec. 17, at 7 p.m. in the Tinley Methodist church social hall, the troop will entertain their parents at an annual Christmas party. A skit is planned as part of the entertainment.

Troop 334 meets regularly in the social hall of the Methodist church.

SEEK VOLUNTEERS

The old Army way of recruiting "volunteers" was simple: "I need three volunteers, you and you and you, step out." Sometimes civilians wish it were that easy, particularly Girl Scout civilians. The South Cook County Girl Scout Council office in Harvey must work with limited funds and almost unlimited activities.

The office staff is trying hard to keep up with demands, but still there is filing and typing to be done. To relieve the overburdened personnel and to offer a different area of endeavor for adults who would like to help the Girl Scout cause, a Volunteer Service Bureau has been established.

Women with stenographic skills are still in demand. Any one who can give some time each month, may contact the council office at Harvey, Edison

1-1068 or Mrs. Robert Cheney, urban area from Evergreen Park south to Crete and from the Sycamore 8-1789. Each volunteer worker will be scheduled for Cook county line on the west to the Indiana line on the east.

The Council office, which is located at 157 E. 155th st., Harvey, Success is hard work that vey, serves the entire south sub comes in the guise of good luck.

A Life Size Santa In The Dining Room

Tiny Luncheon or Dinner Guests

May Have Their Picture Taken

With Santa Free of Charge.

Jardine's

159th & ROUTE 42A

TINLEY PARK, ILL.

MOTOR MINDED? Of course Santa still uses Prancer, Dancer, Blitzen and the other reindeer on a part of his route for high speed but the world has grown so in population and the number of homes has increased to such a number that the good saint has had to employ assistants and several means of transportation. His reindeer and sled were thought to be a satellite for years until astromomers finally determined their true nature, so you can see that Santa really has been far ahead of the rest of the world in speed travel. In the picture here Santa is not planning to substitute this device for a delivery vehicle. It is just that he is interested in all gadgets and machines. He has no grass problem at the North Pole, of course, but nevertheless he just couldn't resist climbing aboard this sulky mower at the Frankfort hardware store, to try it out for size. Now, if one put a thingamabob on this thing, Santa mused, so he could push snow—LOOK OUT! SANTA, there's a salesman right behind you! Oh well, it will be fun. (Robert Porter photo).

Stefan Steck, Lincoln Estates, Succumbs At 73

Stefan Steck, 73 years old, a resident of Lincoln Estates for the past 25 years, died at his home there on Hillside road last Thursday, Dec. 12, following a long illness.

Mr. Steck was born in Czechoslovakia, Nov. 1, 1884. He was a carpenter but had retired for several years.

Besides his widow, Mary, Mr. Steck is survived by two sons, Frank of Harvey; Stefan, Jr. of Lincoln Estates; three daughter, Mrs. Mary Ostroik, Euclid, O.; Mrs. Helen Semankovich, Lincoln Estates, and Mrs. Frank Zangara, Westchester, Ill.; two brothers, George, of Ontario, Canada, and John of Czechoslovakia. There are 13 grandchildren.

Removal was to the Gerardi

- Mokena Men Fined*

Two Mokena men were fined in Joliet police court yesterday by Magistrate Martin Jackson.

The two, Roy W. Erdman, 45, and Walter Edwards, 29, were arrested Tuesday afternoon on Washington st., near Hickory creek, by Patrolman LeRoy Ever-son.

The car was traveling too fast for conditions, the officer charged, and when he overhauled it found some confusion. The driver, who was Erdman, handed the policeman a driver's license that had been issued to Edwards.

Edwards, who is Erdman's em-

chapel at Chicago Heights and funeral services were held Monday at St. Anthony's church, Lincoln Estates, with the Rev. Cecil Koop officiating. Interment was in Lady of Grace cemetery, Chicago.

Be it ordained by the Presi-
dent and Board of Trustees of
the Village of Tinley Park, Cook
County, Illinois as follows:

Section 1. Receptacle Requir-
ed. It shall be the duty of every
owner or his agent or occupant
of any house, building, flat or
apartment, or tenement in the
Village where people reside,
board or lodge, or where ani-
mal or vegetable matter is pre-
pared or served, at all times,
to maintain in good order and
repair a suitable receptacle for
garbage, cans, bottles, ashes
and similar refuse.

It shall be the duty of every
such occupant to deposit all
garbage, paper, tin cans, bottles
and similar refuse in the re-
ceptacle provided for same.

Section 2. Specifications. The
can for garbage shall be water
tight, and made of metal with
a close fitting cover; and shall
have a capacity of not less than
20 nor more than 30 gallons and
shall be provided with suitable
handles.

Section 3. Accumulation of re-
fuse. It shall be unlawful to
permit to accumulate on any
premises except in covered con-
tainers, as provided herein, or
to store, throw, or deposit any
garbage or refuse of any kind
in any street, alley or public
way within the Village of Tin-
ley Park.

Section 4. Location of contain-
ers. It shall be unlawful to
place receptacles for garbage in
any street or public way, except
in such case as may be neces-
sary for the proper collection of
garbage, and in said event, it
shall be unlawful to permit said
receptacles to remain in the
public street, alley, parkway or
public way longer than is rea-
sonably necessary to facilitate
the proper collection and dis-
posal of said refuse.

Section 5. Accumulation of
combustible waste. It shall be
unlawful to permit the accum-
ulation of any combustible re-
fuse in such a way as to create
a fire hazard.

Section 6. Burning of com-
bustible waste. It shall be un-
lawful to build or light any bon-
fire so close to any building or
other structure so as to endan-
ger such building or structure
nor shall any bonfire be built
or lit on any public street, park
way, sidewalk or pavement.

It shall be unlawful to build
or light any bonfire or fires for
the purpose of burning any com-
bustible refuse or garbage on
any day except Sundays and
Saturdays after the hour of 7
o'clock A. M. and before the
hour of 7 o'clock P. M. All burn-

REMEMBERING THE AGED again at Christmas time, the children of Orchard Hill kindergarten personally distributed gifts to the patients at Oak Forest infirmary on Dec. 13. The visiting children and the gifts made by their own hands, are a heartwarming sight to the aged patients, one of whom, Katherine Dawson, is pictured greeting the youngsters. The

kindergarten which is located near Tinley Park, has a festive holiday appearance. Paper chains, tinsel, holly and berries hang in the school-rooms and halls of the farm house school. The children are learning how Christmas is celebrated in other lands. They will present a Christmas program for parents.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

The Busy Hour 4H club met Dec. 13, for their monthly meeting and annual Christmas party, in the home of their leader, Mrs. Alice Chestnut. The 10 members present discussed their projects for the coming year. Mrs. Chestnut demonstrated the making of inexpensive Christmas decorations. After the meeting, a Christmas party and grab bag gift exchange was enjoyed. Refreshments were served by Mrs. Chestnut. The next meeting will be Jan. 17 at 7:30 pm. in the Schmulh school.

Cub Pack Meeting

Cub Scout pack 41 of Lincolnwood Hills will meet Friday night Dec. 20 for their meeting and Christmas party in the Schmulh school.

Cub Den Meeting

Den 1 of Cub Scout pack 41, met Saturday for their last meeting of this year, and their last meeting with Den mother, Mrs. Richard Pokorny, whose job will be taken over, after the first of the year, by Mrs. Fred Cortright. Mrs. Cortright will then be assisted by Mrs. Vernon New some. The boys finished making their gifts for their parents at this meeting.

Mrs. William Malloy and children spent Sunday in Chicago, with her mother, Mrs. Vera Sullivan.

Mr. and Mrs. William Trench and family had as their guests last week, her parents, Mr. and Mrs. Joseph Hanusik, of Grand Ridge.

Mrs. Robert Anderson of Miami, Fla., and his grandmother, Mrs. Sally Campbell of Chicago, were guests Sunday of her son, Mr. and Mrs. Ralph Oldt.

Mr. and Mrs. Cliff White and children had as their guests for the weekend, her father, Herbert Hinkle of Valparaiso, Ind. They spent Sunday in Chicago with friends.

Community Club Party

The Schmulh school Community club will hold their annual meeting and Christmas party in the school this evening, Dec. 19 at 7:30 pm.

Save your newspapers. Cub Scout pack 41 will have a waste paper drive sometime in January.

Christmas Guests

Mr. and Mrs. D. M. Owen and family will entertain at dinner in their home, her mother, Mrs. Vera Sullivan of Chicago, and her sister Mr. and Mrs. William T. Malloy and family.

Mr. and Mrs. Walter Blaess and children will entertain in their new home at a Christmas Eve gathering, gift exchange and buffet luncheon. Guests will be her sister, Mr. and Mrs. Gilbert Obert of Joliet; and her brother, Mr. and Mrs. Herman Beck and family of New Lenox.

Mr. and Mrs. William Trench and family will spend the day in Grand Ridge, with her parents, Mr. and Mrs. Joseph Hanusik, and will then go to LaSalle to visit his parents. Mr. and

Mrs. Harold Trench. Mr. Trench will return home, but Mrs. Trench and the children will remain there for a few days. Mr. and Mrs. William Stoner and daughter Cheryl will have breakfast with her parents, Mr. and Mrs. W. A. Provance, in their home in Joliet. Several friends and relatives will also

Death Claims Belle Robinson

Mrs. Belle Robinson, nee Hedges, 75, a resident of Mokena since 1937, died in the Largent Rest home at Midlothian Friday, Dec. 13, following a lingering illness.

Born Jan. 8, 1881 in Corinth, Ky., she attended business college in Cincinnati and after completion of the business course went to Chicago where she worked as a secretary to Armour & Co. It was 1911 when she was married to the late Frederick J. Robinson in Chicago where he was employed. After a few years they moved to Midlothian, where he was Republican committeeman.

Mrs. Robinson was instrumental in organizing the Midlothian Woman's club and served as its president for many years. During her term of office she and the club members were successful in buying the present building for the club and in paying the mortgage. Mrs. Robinson also worked in the PTA organization in Midlothian.

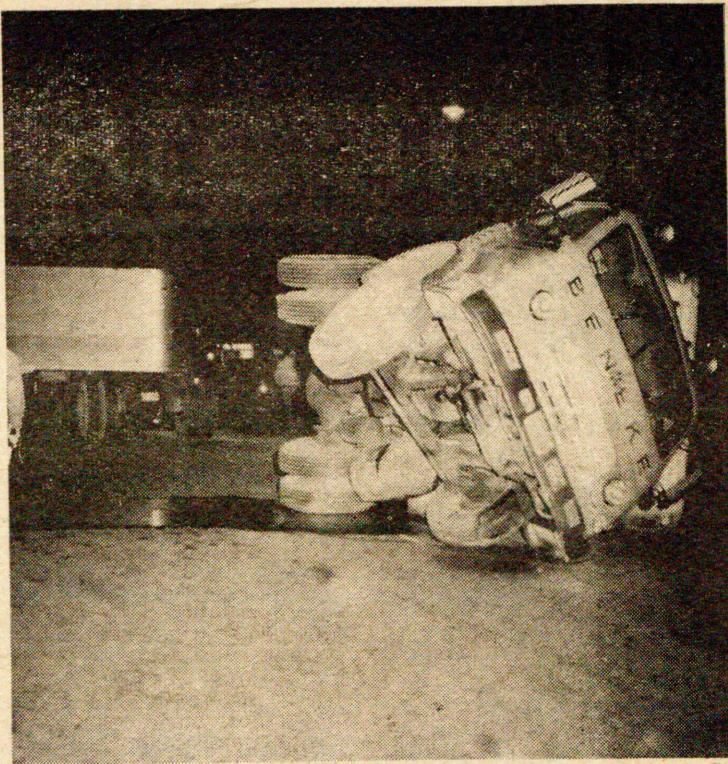

The family moved to Mokena in 1937 and a year later opened a tavern which she operated for many years.

Survivors are a son, Norval K. and a granddaughter Cindy Lou Robinson of Mokena.

Removal was made to the Hirsch chapel in Tinley Park where services were conducted Monday afternoon, Dec. 16 with the pastor of St. John's United Church of Christ, the Rev. William J. Riemann, officiating. Burial was made in Cedar Park Chicago.

DEPORT MEXICANS

U. S. Immigration authorities picked up eight Mexicans in the Tinley Park area last week, for illegal entry into the United States. The men, who had been employed here, will be sent back south of the border.

NO INJURIES but a rear end collision involving two highway boxcars made a picture and tied up traffic for a time the intersection of U. S. Routes 30 and 45 until State Trooper Stuart Tribe had the overturned truck righted and hauled off. The driver of the overturned trailer, E. L. Houk, 35, Columbus, Miss., heading east on U.S. 30 had stopped at the intersection with U.S. 45. George Williams, 44, Atlanta, Ga., also traveling east on Rt. 30, was trying to stop but didn't make it. He hit the halted rig with sufficient force and at the proper angle to flip it over. Trooper Tribe gave Williams an arrest ticket.

Two Die In Area Auto Crashes - In Orland And Bremen Townships

Two persons are dead in the area as a result of automobile crashes in the past few days.

Howard C. Griffin, 39, of Marley, New Lenox township, was fatally injured early last Saturday morning in a head-on two-car collision on Wolf road, near the junction with U. S. 6 in Orland township.

Warren A. Reuter, 50, of Glenview, a plumber, was killed late Monday afternoon when he rammed a trailer loaded with cattle and hogs at 183rd and Cicero, Bremen township.

In the crash near Tinley Park the livestock was unhurt and taken on to the Chicago stockyards in other vehicles. The truck driver, George Heavlin, 41, of Saybrook, McLean county, escaped injury.

The truck was headed north on Cicero. Reuter was going west on 183rd. State troopers said that Reuter apparently failed to heed a stop sign. The highway was blocked for three hours. Tinley Park firemen stood by in case fire broke out.

Arrest Other Driver

The Marley man, Howard Griffin, was driving north on Wolf road about 5:20 a.m. last Saturday enroute work at the Great Lakes Carbon Corporation where he was employed as a kiln operator. About 200 feet south of the junction of Wolf rd and U.S. 6, Griffin's car was struck head-on by an auto driven toward Mokena by John Rossow, 28, of 197 Mohave st., Roselle, Ill. Rossow, who escaped with minor injuries which did not require hospitalization, was arrested on a charge of reckless homicide by state troopers from the Blue Island district. He is at liberty under bonds of \$5,000.

Griffin was removed to St. Francis hospital, Blue Island, where he was pronounced dead on arrival. Rossow was treated at the same hospital and released.

Griffin, a native of Joliet, moved from there to Marley about two weeks ago. He was a veteran of World War II in which he served in the ground troops of the Army Air Force in England. He was a member of the Ingalls Park Methodist church, Joliet. A coroners inquest is scheduled for Jan. 13.

Besides his widow, the former Mary Spink, Mr. Griffin is survived by a son, Larry, 6; two daughters, Jane 14 and Etha, 3; three brothers, Harry of Joliet, Albert of Aurora and Louis, of McComb, Miss., and one sister, Mrs. L. R. (Mary) Beadle, of Marley.

Funeral services were conducted at the Sonntag funeral home, Joliet, Tuesday afternoon with burial in Hills of Rest cemetery.

Two Deputies Injured

Two Cook county deputy sheriffs, Isaac Shoemaker, 50, Chicago Heights, and Francis A. Simon, Blue Island, were injured Monday while chasing a drunken driver in Bremen township. The squad car collided with an auto driven by William R. Bento, 47, of Chicago at 196th and Illinois 54. The deputies said their flasher light was in operation and Bento was arrested on a charge of failure to yield right-of-way to an emergency vehicle.

TINLEY TRUSTEES—

(Continued from Page 3)
age board, urged their cooperation in approving them by the next board meeting, so the subdivision can be started.

Previous plans for a sewage treatment plant for the entire subdivision met with the approval of the board and the Chicago Sanitary district. The revised plan, to handle 60 homes is for a temporary plant to handle a third of the proposed housing project. By the time the development of the remainder is started, Barrett stated the Tinley Park sewers probably would be installed to take care of the entire subdivision. The plan he now submits would be more practical than the original one he feels.

When the sewer system for the area is completed, the temporary plant can be removed, he stated. In favor of this second plan is that it more adequately handles sewerage by the aeration method; the affluent being clear after processed, he explained. The first plans called for a primary plant.

Crossing Signals

The school board of district 146, called the board's attention to two dangerous crossings for school children on Oak Park ave., and the fact that motor fuel tax receipts can be used for the erection of crossing signals. The crossings in question at 171st and at Hickory t. on Oak Park ave., are presently served by safety patrol boys. In the school board's letter to the trustees, it was stated these boys are not permitted to direct traffic in any way. The matter has been referred to a committee for study. Any signs erected must be approved by the department of public works, the attorney pointed out.

Street Repair

According to street chairman, Thomas Hatfield, a continuous program of street repair will be conducted thruout the winter

driver in Bremen township. The squad car collided with an auto driven by William R. Bento, 47, of Chicago at 196th and Illinois 54. The deputies said their flasher light was in operation and Bento was arrested on a charge of failure to yield right-of-way to an emergency vehicle.

Shoemaker complained of injuries to his back and arms. Simon was treated for a groin injury. The alleged drunken driver got away.

months as weather permits. As holes develop they will be filled by the patch method. Different types of patching are being applied to determine which is best, he reported.

A survey of street signs and markings is now in process. Hatfield aid, and the committee is considering a standardization program of these.

The condition of village property was discussed, and the need of a storage yard to stock materials.

President Elmer Knudsen suggested fill be dumped in the area designated for a park on the north side of the village. The park commission hopes to have the section in shape by spring, he said, by grading and filling.

Hatfield suggested an ordinance be set up to stop fill being taken out of the village. Allen Verhage, trustee, reported before such an ordinance can be passed, it must state a definite location where fill may be dumped.

The street committee will study this and the possibility of using village property for a supply yard and for parking.

Lillie asked trustees who had any plans for future spending of any sizeable amount, make it known so it can be incorporated in next year's appropriation.

The attorney reported receipt of \$5600 from the county treasurer, which was being withheld because of tax objections.

Minnie Clark, Former Frankfort Resident, Dies

Mrs. John (Minnie) Clark, 88, formerly of Frankfort, died Wednesday in a hospital in Ottawa from bronchial pneumonia. She had been ill for the past week. Mrs. Clark had been living in

Marseilles for the past 12 years, since the death of her husband.

She is survived by three sons, Dr. Floyd, of Danville, Dr. Paul and Dr. Ted, both of Marseilles.

Funeral services will be held Friday at 10 am. in the C. B. Seals Funeral Home, Campbell st., Marseilles.

Burial will be in Pleasant Hill cemetery, Frankfort. She was a resident of Frankfort for many years and a member of the Methodist church.

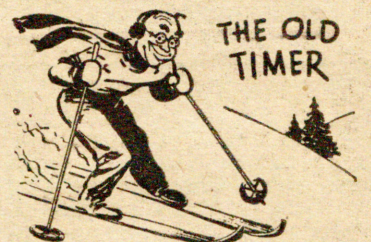

One-Way Streets to Aid Traffic Flow Sunday Mornings

To alleviate traffic conditions on Sunday mornings during church hours, the Tinley Park police department announces that 173rd place and 69th avenue will be one-way streets from 9 to 12 a.m.

The traffic will move eastward only on 173rd place between 69th avenue and Oak Park ave. On 69th avenue the traffic will move south bound only from 171st st. to 173rd place.

After 12 noon, the one way traffic order is terminated.

Churchgoers driving to the Methodist or Zion Lutheran churches will have to go down 171st st., then south on 69th avenue.

Want to Make Big Yule Candle? Well, Here's How to Do It

You can make a big, long-burning candle to fit into your Christmas decorations if you have a number of odds and ends of partly burned candles around the house. Melt them and pour into cardboard containers and remold. Use ice cream cartons, oat meal containers or others. Use plain cord for a wick. Weight the cord. When the wax is beginning to set, tie the wick to a pencil and suspend it in the wax. Let set hard remove carton and there is a nice candle for your table.

Jaycees To Keep Kettles Hot For Disabled Vets

Deserting their desks and warm offices for cold and windy street corners, some 300 members of the Chicago Junior Association of Commerce and Industry will appeal for funds for Christmas festivities for hospitalized veterans today and tomorrow.

The Jaycees will trade places with Salvation Army cadets and lassies for two hour periods at Christmas kettle stands in the loop and at the Northwestern, Illinois Central, Union and La-Salle Street stations. The volunteers represent more than 100 business firms in the Greater

Chicago area.

Wearing distinctive signs, the Jaycees will ring shiny brass bells and shout appeals for contributions to fill their glass coffee pots. The Jaycees' 1957 goal is \$12,000.

This Christmas time marks the fourteenth consecutive year The Salvation Army and Chicago Junior Association of Commerce and Industry have cooperated to bring holiday cheer to hospitalized veterans. Since 1944 the Jaycees have raised \$99,825.94 for Christmas parties at the veterans' hospitals. After the parties, any funds left over are used to provide other year round activities for the veterans

No Zero Year - 1 A.D. Followed on Heels of 1 B.C.

According to our calendar, one would naturally assume that between the year 1 B. C. and the year 1 A. D. there should be a

year called zero. As a matter of fact, no such year exists, as far as historians are concerned, and the year 1 A. D. follows directly after the year 1 B. C.

A person born in 3 B. C. would not be five years old at 2 A. D., but would be four years old when one is calculating data in that period. When adding B. C. and A. D. years, it is necessary to always subtract one to compensate for the year zero omitted between 1 B. C. and 1 A. D.

When mother-love makes all things bright,
When joy comes with the morning light,
When children gather round their tree,
Thou Christmas Babe, we sing of Thee!

—Tudor Jenks.

Christmas Greetings

To Our Friends - Neighbors - Customers "Greetings:

As we approach the Holiday Season, we wish you a happy and joyous Yuletide. 1958 will shortly be upon us. What it holds in store for us is something most of us would like to know during these troublous world event.

Will yours be 365 days of happiness and contentment, or will there be discontentment? Much depends upon ourselves and our state of mind. If we seek contentment, we must examine our innermost desires:

If we desire happiness, we can find it by helping others.

If we desire wealth, we cannot find it in the almighty dollar, but rather in the Almighty.

If we desire friendship, we must learn to be our brother's keeper.

Three hundred and sixty-five days of happiness is ours by adjusting our lives to self-sacrifice and service. Will happiness be yours?

We wish you all that you desire during 1958.

We thank you for your past patronage and trust that our association will continue for mutual progress."

WHY CHRISTMAS CANDLES?

On Christmas Eve the Christ Child wanders all over the earth seeking deserving people—people who are kind and thoughtful of others, and people who have loving hearts. Lighted candles are placed in the windows by such people so that He may not stumble and fall. In the course of His search He visits every castle and hut, no matter how rocky and rough His path may be.

"Silent Night" Born As Poem On Christmas Eve

"Silent Night" is often called the "Song from Heaven" because the story of its inspiration and composition is one of the most beautiful Christmas stories in existence.

On December 24, 1818, in the Austrian village of Hallein, as

Father Joseph Mohr sat reading his Bible, there was a knock at his door. It was a peasant woman who wanted the priest to visit a poor charcoal maker's wife to whom a child had been born. The parents had sent her to ask the priest to come and bless the infant.

Father Mohr was strangely moved by the visit to the mother. And that evening as he re-

turned to his home saw that the dark slopes of the Alps around the village were alight with torches of the mountaineers on their way to church. To him it was a Christmas miracle.

Later, as he tried to put down on paper his feelings and experience, the words kept turning into verse. When dawn came he found he had written a poem—a beautiful and moving poem.

On Christmas Day his friend,

THE NEWS-BULLETIN

Franz Xaver Gruber, music teacher in the village school, composed music to fit the verse.

Village children heard the priest and teacher singing the song and learned it. From there it spread throughout the world. Today, it is regarded as the greatest Christmas hymn and wherever there are men of good will they sing:

"Silent night, holy night—
All is calm, all is bright,
Round yon Virgin, Mother and Child;

Holy Infant, so tender and mild,
Sleep in heavenly peace—
Sleep in heavenly peace."

Pick Tree Best Suited To Meet Holiday Plans

Pick the Christmas tree to suit your holiday plan.

If you intend to keep the tree for only a few days, the Norway spruce has the traditional shape and good color and is perhaps your best buy. Its one failing is that it sheds its needles fairly soon.

Longer-lasting but more expensive are the balsam fir, Douglasfir and any of the long-needed pines.

Whichever tree you buy, make

sure it is fresh and not tinder-box dry, advises Martin L. Davey Jr., who heads the Davey tree experts. Any shopper can be an expert at this. Merely feel twigs and needles. If they're dry and brittle, look at another tree. If you're not quite sure about the touch test, bang the tree butt on the floor. A shower of needles will tell you the tree is dangerously dry.

Even the freshest, most fragrant tree needs a helping hand to retain its beauty. It should be placed in a base filled with water. And, like a fresh-cut flower, it should get watering every day. To make sure it will absorb as much moisture as possible, make a fresh cut across the butt before you place the tree in a base that will hold it erect.

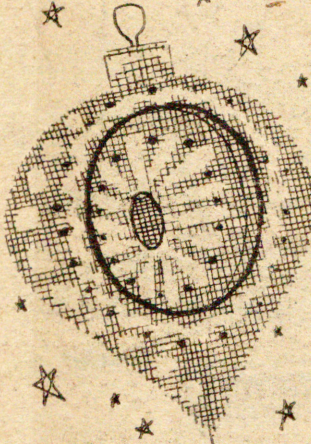

For general attractiveness and quality, select the tree that has pyramidal shape, branches that come well down to the base and abundant and attractive foliage.

This applies to all Yuletide trees for ornamentation—spruce, fir or pine.

THE CUP THAT STEERS

If, in the holiday jollity, You're tempted to up-load, Instead of a 'fast one' Please make that last one Coffee—'One for the Road!'

IT'S
